### **Straits Area Yacht Finishing Joins Walstrom Marine**

Walstrom Marine is pleased to announce that they have joined forces with Straits Area Yacht Finishing at its Cheboygan location.

Stan Carter, former owner of Straits Area Yacht Finishing, and his team, Nigel Turner and Justin Dann, join Walstrom Marine this fall. Stan brings with him over 27 years of experience in the boating industry. Nigel and Justin bring 14 years and 4 years, respectively.

Walstrom now provides another level to their capabilities by continuing to offer the same quality, service, and reputation that Straits Area Yacht Finishing was known for: painting; gel coat; fiberglass; woodworking; complete detailing services from washing, polishing, and waxing; etc.

“Stan and his team have worked with us quite a bit in the past. We are excited to join forces and have them as an official part of our crew. I know I speak for the whole company when I say that we are excited to grow our footprint here in Cheboygan and add more value to our customers' boating experience,” says Charlie Duray, General Manager, Cheboygan.
