Walstrom Marine joins MJM Yachts as Great Lakes Dealer

Walstrom Marine is proud to announce that it has partnered with MJM Yachts covering the United States and Canadian waters of Lake Michigan, Lake Superior, Lake Huron, including Georgian Bay.

MJM is an industry leader in building faster, lighter, stronger production boats that are comfortable, efficient, and easy to use. The current models offered are the 35z, 40z, and 50z. MJM is the only production powerboat company using pre-preg, post cure, epoxy composite construction.

"We are proud and excited to be working with such an innovative brand. We look forward to bringing a greater presence of MJMs to the Great Lakes!" says Rick Venner, Sales Manager.

MJM Yachts was founded in the early 2000s by Bob Johnstone, renowned mastermind of J/Boats, Inc, the world's leading performance brand of sailboats. Creating a team of the industry's best, from designs by Doug Zurn of Marblehead, Massachusetts to boat building by Mark Lindsay and Boston BoatWorks, MJM Yachts has successfully grown its line of luxury motor yachts into what it is today.

Walstrom Marine is a second-generation, family-owned yacht sales and service company serving the boating community in northern Michigan. Based in Harbor Springs with additional locations in Cheboygan, and Bay Harbor, Walstrom Marine sells and services Tiara Yachts, Chris Craft, Pursuit Boats, and MJM Yachts. For more information, visit www.walstrom.com.

MJM Yachts builds premium performance luxury downeast cruising yachts. Their reputation for the lighter, faster, stronger, and more efficient motoryachts is due to advanced design, engineering, and lightweight epoxy composite construction. For more information, visit www.mjmyachts.com.
